SIMPLY STUNNING

A UNIQUE EXPERIENCE

Just because Las Boas is so centrally located in the buzzing Ibiza, doesn't mean you can't enjoy some tranquility when it's necessary. In fact, one of the greatest things about Las Boas is that it offers you the opportunity to combine the two so easily – With a stroll down to the picturesque Marina on your doorstep and Talamanca, a glorious stretch of golden sand just a few minute's walk away, it's easy to take some time out to relax after a night enjoying the island's livelier attributes.

UNBEATABLE LOCATION

A short stroll will take you to almost all of the island's best spots. Less than 5 minute's walk you can enjoy eating at the world class restaurant Caberet Lio, or the equally famous Ciprianis just next door. If you fancy a flutter, there's Ibiza's famous casino barely a minute away. If Ibiza's nightlife is more your thing, then you have easy access to the beach club Blue Marlin. Fancy being within minute's walk of one of Pacha? You're in luck, this internationally famous luxury club is just a few minutes away. With so many of Ibiza's best attractions at hand, what other location on the island could offer you so much?

NATURAL ELEGANCE

BREATHTAKING BEAUTY

An island as truly special as Ibiza deserves to be appreciated properly, and there's no better place to do that than Las Boas. Located in the heart of the Marina area, close to Ibiza town and within minute's walk of many of Ibiza's most exclusive bars and restaurants, Las Boas is the ideal location from which to enjoy your stay.

EVERY SINGLE APARTMENT IS UNIQUE

From the Gaudi's painstakingly mosaiced tile floors to its large terraces, there is nothing standard about Las Boas. Each apartment's curved walls, hidden compartments and incredible use of space, create a fluid and relaxing space that you'll never tire of.

Even from the outside, Las Boas is utterly unique and charming – from the colourful garland of plants trailing its way around the building's balconies to its wave-inspired, undulant curved design.

GENTLE SENSATIONS

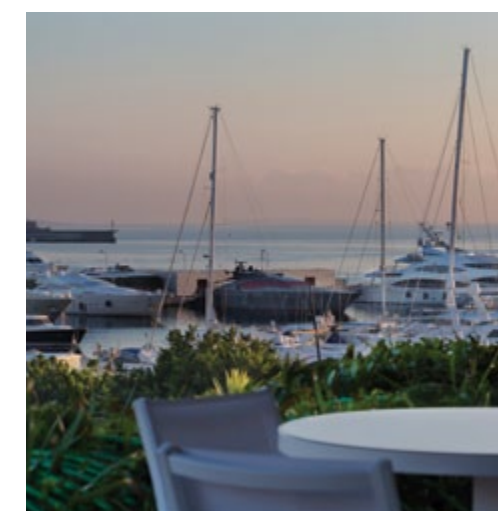

The thoughtful layout offers spaces for privacy as well as togetherness. Relax on the outdoor terrace, take a dip in your 5000 SQM infinity pool, or have a casual meal in the dining room – all while enjoying splendid views.

The expansive interiors come with all modern conveniences, own fully equipped kitchen and private elevator, signature accessories – a perfect blend of comfort, style and playfulness.

The unbeatable location makes the island paradise experience all the more luxurious.
